Student Council

Student council has the annual job of decorating the cafeteria Christmas tree

The student council serves as the voice and spirit of student sentiment. Two boys and two girls represent each class in the school. These representatives share ideas and plan student projects. This year the student council participated in a new student exchange program. Student council members from other schools visited Fremont to exchange ideas on the different school systems and roles the student councils are responsible for in their schools. Members of our student council have also visited other schools under this program. The student council sponsored the Homecoming and the Halloween Carnival. They were in charge of the float and the election of a queen for Homecoming. Halloween carnival booths were set up and divided among other organizations, and prizes were ordered and distributed by the student council.

The F.F.A. parent-son banquet

Miss Fremont becomes the new Regional Queen

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship. Over the course of the year, the F.F.A. had two banquets: a businessman's banquet and a parent-son banquet. In the summer they took their annual trip on the money they raised by selling garden seeds and pop corn, and by planting trees. They also participated in the soil judging, dairy judging, and parliamentary procedure contest.

Royann Sponseller and Mary Farver get the Crew Club booth ready for the Halloween Carnival

Crew Club is an organization composed of students interested in the field of art. Members sold hand-made articles such as candles, stationery, decoupage plaques, decorated stone paper weights, and fun film sculptures and mobiles at their booth during the Halloween Carnival. At Christmas time, Crew Club sponsored a locker decorating contest with prize money awarded to the three best lockers. A paper mache egg tree was decorated at Easter time. In the spring, a field trip was conducted for all art students as well as Crew Club members to the Toledo Museum of Art.

Jennifer Ferguson works diligently at painting her locker for the locker decorating contest.

JCL promotes a better understanding of the Greek and Roman civilizations and their application to our world today. Some of our main activities are the Initiation of new members, Roman Christmas Party, and the highlight of the year, the Roman Banquet. The Roman Banquet is enjoyed by both the new members as slaves, and the old members as masters. The occasion follows in all the traditions of old Rome. JCL in conjunction with FHA has adopted a little girl, Sae Tung Rudimas, from Chiangmai, Thailand. The only requirement to be a JCL member is that a student must have taken at least one year of Latin. Mrs. Lenaburg is the club advisor

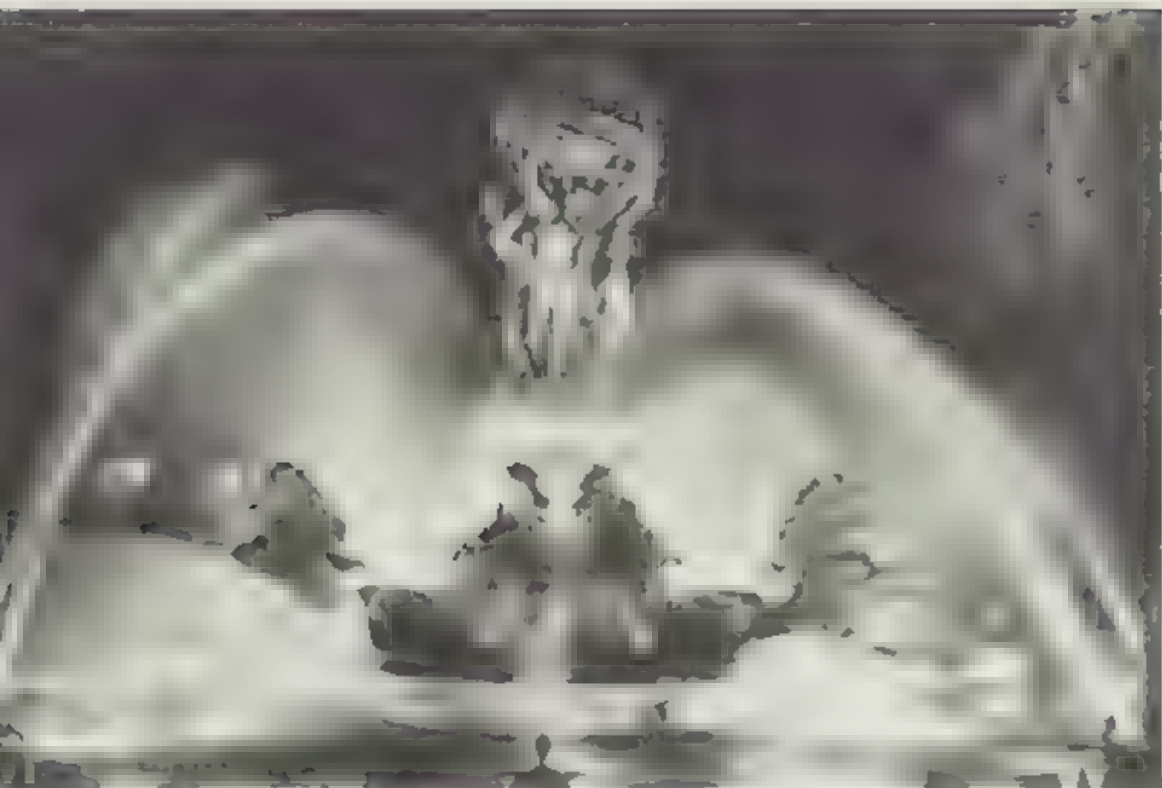

Ski Club

The Fremont Ski Club left for France on the 22nd of December. Many people who went were not from Fremont. After a 7-hour delay at Chicago's O'Hare Airport, the trip was underway. There was a stop at Montreal, then they continued on to Geneva, Switzerland to arrive at the resort, La Flaine. Two days were spent skiing during the day and enjoying a delightful night life at the discotheques. The group of 48 then headed to the city of Geneva for a day of shopping. Such sights as a gothic church, the largest department store in France, railroad stations, the United Nations Building, the World Health Organization building and hundreds of watch and cuckoo clock stores were seen. On Christmas Eve the Midnight Mass was attended. A boy's choir from Paris performed and of course the complete service was in French. After the two days of touring, another two days of skiing were enjoyed. On Saturday morning everyone got ready for the exciting trip to Paris.

Soon it was noticed that it had started to snow for the first time since December 9. It was the snow that they had all been waiting for, but it was late, for the group was ready to leave for Paris. After landing in Paris, via train from Geneva, the routine of customs was hurried through, and everyone boarded on the bus. In Paris there was a lot to see, including the Eiffel Tower. After being left off at the hotel most then continued sight-seeing on foot or by Paris subway, the Metro. The Notre Dame cathedral was visited, a wide variety of stores and then it was back to the hotel for a fine dinner. After the dinner finished the sight-seers again started out to see more of Paris. The Arc de Triomphe, the Love, and Napoleon's Tomb were seen. Paris. The group left Paris behind them on Sunday morning and flew straight to Chicago because of weather conditions, then began home after an interesting and entertaining Christmas vacation.

The Varsity Eagles completed a very successful season this year compiling a 5-4 won-loss record. The Eagles finished second in the NECC conference losing only to Prairie Heights. The team improved greatly as the season wore on climaxing in a 20-16 Homecoming victory over West Noble. Fremont Advances

Having been beaten badly by Hamilton only a few weeks before, Fremont was considered an underdog by most when the Sectional began. After a 20 point victory over Hamilton in the first game we played in the Sectional, the Eagles went on to upset hosting DeKalb Barons - which proved to be one of the biggest surprises in the state. The final Sectional game was played against top rivals, Prairie Heights. It had been 15 years since an Eagle team had taken a Sectional. The three victories in the Sectional took the Eagles to the coliseum in Fort Wayne to meet with the Northrop Bruins. The Bruins were ranked eighth in the state going into the game. Fremont was humbled by the strong Bruin team, leaving the Eagles with a 10-12 record for the season.

To Regional

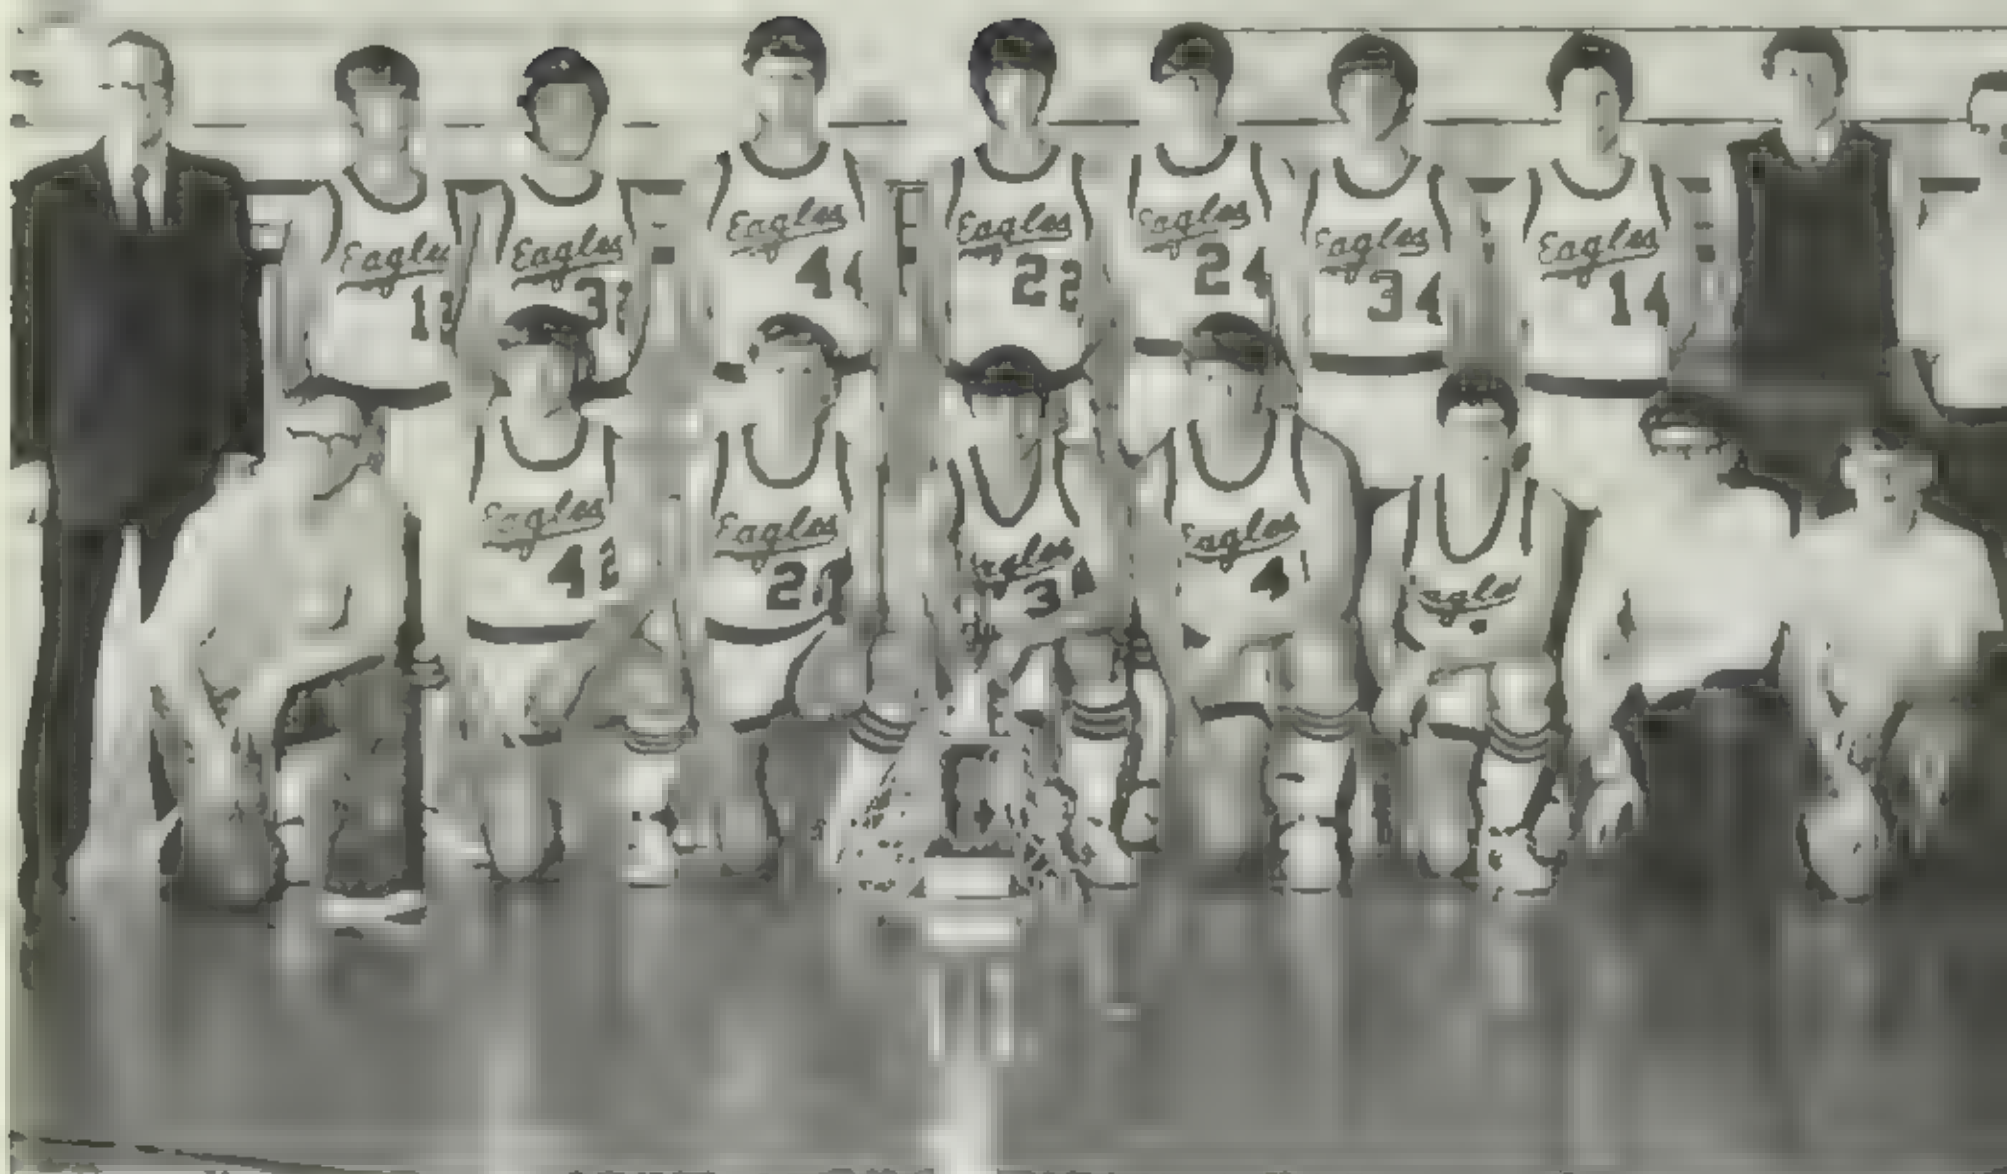

Fremont basketball teams had captured the Sectional title three times before this year's win. The years in which Fremont came out Sectional winners were 1925, 1955, and 1958. Then Fremont came back in 1973 to surprise everyone by being victorious over Hamilton Marines, hosting DeKalb Barons, and in the final game of the Sectional defeating Prairie Heights Panthers

The Varsity Eagles compiled a 7-12 season record. The team suffered through many tight ball games with much larger teams. The absence of good height handicapped the Eagles throughout the season. After Sectional and Regional Play their final record was upped to 10-13.

Two Eagles were selected to the 10-member All Conference team for Basketball. They were Senior Mike Sellers and Junior Stan White. White was also selected on the all area team chosen by the area sportswriters. Varsity coach Perry was chosen as "Coach of the Year" for the great job he did in guiding the Eagles to their first sectional win in 15 years.

Junior Varsity Basketball

Front row, Mike Meeks, Tom Ethendge, Randy Quick, Lowell Pocock, Back row, Mr. Dilbone, Jon Close, Todd Cary, Steve Meeks, Sam Barlow, George Doty

The Junior Varsity, under coach Dilbone, showed plenty of potential this year from the freshman and sophomore levels. The team compiled a 8-11 record which was a good improvement over last year. The addition of these boys to the Varsity should add much depth to the 1973-74 season.

Back row: Mr. Ballenger, Marion Malone, Eric Close, George Hefley, Jay Cary, Bill Regadanz, James Doty

The 8th grade had a good year under their Coach, Mr. Ballenger with a 11-5 record. The Eagles were runner-up in the 8th grade tourney as they lost to Ashley in overtime in the Championship game. The Eagles were led by the sharpshooting of Bill Regadanz who swished the nets for 219 points for an average of 14 points a game. Jay Cary, Eric Close and George Hefley were also among the top scorers. Hefley and Close were the big board men with 114 and 111 rebounds. They got plenty of bench support from John Colby, Todd Gaskill and Jerry Budd along with the remaining team members. Congratulations to these boys on their fine Junior High careers going into their first year of High School.

The seventh graders played a strong defensive game the entire season while maintaining balanced offensive attack. Roger Meeks led the team in total rebounds with 108. They received plenty of help from Dale Mowry, Craig Burlingame and Jeff Huss. Fremont's future lies here and it looks as if it will be a good one.

Todd Carv, George Doly, Gene Sickels, Mike Thatcher

This year's Varsity Track Team, coached by Mr. Dilbone, had their rebuilding year as the team is young with only two seniors. Although the team didn't have a winning season, many things were accomplished as Don Adams set the two mile record at 11.12. Gene Sickels set a record in a new event, the discus. Gene's throw was 93'6. Mike Meeks was the leading point man with 71. The track team showed great spirit and should be a team to contend with in the future

Although the Cross Country team finished with a disappointing 2-7 win-loss record, Sophomore Donnie Adams managed to set a new 2 1/2-mile record for Fremont at 14:15. 17 men trained hard for this grueling sport, guts and endurance. This year the distance was lengthened from 2 to 2 1/2 miles by the IHSAA. Coach was Martin Erlenbaugh.

Linksmen Have Young Team

This year's Varsity Golf team was headed by Number One man, Doug Bressler. The team was a fairly young team. The only win for the season came from Westview. Coach Ronnie Vaughn is expecting for the coming year a building season. When this present group reaches their Junior and Senior years, they should be very competitive in the Conference.

Most and only Senior member this year was Doug.

Junior High golfers this year for Fremont were: left to right - Eric Close, Jay Cary, Kevin Snyder, John Colby, and Mike Evans. Coach was Ronnie Vaughn

Eagle Baseball

Front row: Alan Elliott, Tony Vaughn, Jeff Burlingame, Doug Smith. Back row: Pat McCarty, Greg Schumacher, Mark Knisley, Rick Steele, Jim Kumfer, Mike Sellers, Stan White, Carl Smith, Mr. Perry, Randy Quick, Lowell Pocock. Not pictured is Kenny Parsell.

The Eagle Baseball team started the season off with some difficulty but still managed to pick up 5 wins against 7 losses. At the time of this writing there were still five games to play which will cause the statistics to be incomplete. Veterans Mike Sellers, Pat McCarty, and Carl Smith were the only seniors on this year's team which consisted of 7 Juniors, 1 sophomore, and 5

freshmen. Jim Kumfer, Alan Elliott, and Pat McCarty did a good job for the Eagles on the mound. The team's batting average showed a good improvement at the plate as it jumped from .200 to .290. With the underclassmen back next year, the team can expect great success.
